

Accessories

LiquaLED Music Modulator:

This innovative plug-in unit attaches to SloanLED's LiquaLED Controllers to pulsate the LiquaLED Cluster Main Lights, Bullet Lights, Perimeter Lights and Skirt Lights, in white mode, to the rhythm of the spa's stereo sound. Easy installation, simple control and reliable electronics provide an enhanced spa experience.

- Easy Sync - Uses stereo line output or speaker signal to create a colorful light show
- Cost Effective - Requires no external power
- Simple Hook-up - Standard RCA jack input
- Compatible - Operates with either LiquaLED Control 100 or LiquaLED Control 40
- Ready to Go - No special software required
